1 **PLAINTIFF RESHMA KAMATH'S CASE-MANAGEMENT STATEMENT**

3 Plaintiff Reshma Kamath submits this Plaintiff's Case-Management Statement
4 dated October 12, 2023, requesting a continuance to after November 30, 2023, and
5 stating:

7 *1. Jurisdiction and Service:*

9 The basis for the court's subject matter jurisdiction over plaintiff's claims is
10 federal diversity jurisdiction, as well as subject-matter jurisdiction over 42 U.S.C 1983
11 matters. This Court has jurisdiction over Plaintiff's federal claim under 28 U.S.C. §§
12 1331 and 1343. The Court has supplemental jurisdiction over Plaintiff's claims, which
13 are based on state law, under 28 U.S.C. § 1337. Venue in the United States District
14 Court for the United States District Court Northern District of California San Francisco
15 Division is proper pursuant to 28 U.S.C. § 1331. Plaintiff alleges that all of the
16 Defendants acted under color of state law and violated Plaintiff's rights under the
17 Fourth and Fourteenth Amendments to the United States Constitution. Plaintiff also
18 brings state law claims for second and third claims for relief pursuant to this Court's
19 supplemental jurisdiction.

20 Defendants have yet to be served, and, if any parties remain to be served, a
21 proposed deadline for service will be November 30, 2023.

23 *2. Facts:*

25 Plaintiff Reshma Kamath is a natural person residing in the State of Arizona and
26 working remotely.

28 When Plaintiff is in California, it is for work purposes at 450 Golden Gate Ave.,
2

1 San Francisco, California, and/or California courts. [“work address.”] Defendant is the
2 San Francisco Police Department at or near Plaintiff’s work address. Defendant is the
3 United States Department of Homeland Security at Plaintiff’s work address. Defendant
4 is the Federal Protective Services housed in the United States DHS of the San Francisco
5 federal court at Plaintiff’s work address. Defendant is Steve Glumas who is the office
6 and agent of Defendant SFPD, and/or Defendant Homeland Security. Between May
7 and July 2023 on-going, Defendants SFPD and DHS FPS have engaged in selective
8 enforcement and discrimination towards Plaintiff.

9

10 Between May and July 2023 on-going, Defendants SFPD and DHS FPS have
11 repeatedly issued falsified tickets, to Plaintiff, four (4) in total, and towed Plaintiff’s
12 vehicle. There were several other cars and vehicles around Plaintiff’s vehicle; and yet,
13 not one of the other vehicles and/or cars had any tickets on them during each of the
14 falsified ticket incidents by Defendants.

15

16 Plaintiff took videos and photographs of the other vehicles and/or cars to
17 demonstrate that each of them had parked in the same zone and same road behind the
18 Plaintiff’s vehicle. Yet, the pictorial recording of the vehicles and/or cars adjacent to
19 Plaintiff’s vehicle had no tickets on them during each of the Defendants’ falsified ticket
20 incidents.

21

22 Between May and July 2023, Defendants SFPD and DHS FPS have repeatedly
23 given falsified tickets, to Plaintiff, three (3) in total and towed Plaintiff’s vehicle; while
24 SFPD and DHS FPS did not give any tickets to the cars around Plaintiff’s vehicle.

25

26 Between May and July 2023 on-going, Defendants SFPD and DHS FPS have
27 repeatedly given falsified tickets, to Plaintiff, three (3) in total and towed Plaintiff’s
28 vehicle; while Defendants SFPD and DHS FPS have not towed any other cars and

1 vehicles around Plaintiff's vehicle.

2

3 When Plaintiff saw the ticket dated May 2023 from Defendant SFPD, it stated,
4 "parking restriction."

5

6 However, Plaintiff had seen several cars parked there with no ticket on numerous
7 other days. On the same day, even across the street, cars were parked with no tickets.
8 Then, Plaintiff decided to test and see whether parking her vehicle in the same location
9 the next time will generate a similar conduct, and/or lack thereof from Defendants.

10

11 Then, Plaintiff decided to park her vehicle in the same location the next time to
12 see whether Defendants will engage in repeated patterns of selective enforcement and
13 discrimination. Defendants did just that.

14

15 Defendants had intentionally engaged in repeated patterns of selective
16 enforcement and discrimination towards Plaintiff. When Plaintiff saw the second and
17 third tickets in June-July 2023 from SFPD, it stated federal violation (July 10, 2023),
18 and tow-away zone (July 11, 2023).

19

20 However, on the same days when she was ticketed, Plaintiff had seen several
21 cars in the same zone parked right behind and in front of Plaintiff's vehicle with no
22 ticket[s] from Defendants. On the same days, even across the street, any and all of the
23 other cars parked in the same zone had no tickets from Defendants. Thus, it was clear
24 that Defendants were engaging in selective enforcement towards Plaintiff.

25

26 On July 11, 2023, the day of the second ticket, when Plaintiff was walking from
27 her work address to Plaintiff's vehicle, Plaintiff saw the Defendants' agents watching
28 her walk to her vehicle.

1
2 On July 12, 2023, the day of the second ticket, when Plaintiff unlocked her
3 vehicle and started to drive, Plaintiff saw the Defendants' agent suddenly drive up to
4 and next to Plaintiff's vehicle.
5

6 The day of the tow-away was on July 13, 2023. Earlier that day, Plaintiff had
7 decided to park her vehicle in the same location to see whether Defendants would
8 engage in one more repeated pattern of selective enforcement and discrimination.
9 Defendants did just that.
10

11 Defendants had intentionally engaged in repeated patterns of selective
12 enforcement and discrimination towards Plaintiff. Defendants were scanning the
13 license plate, and checking the name of the person to whom the vehicle belongs to.
14 There is a video camera pointing to the street on 450 Golden Gate Ave., San Francisco,
15 California. Plaintiff had intended to subpoena that video camera.
16

17 On July 12, 2023, agents of Defendants SFPD and DHS FPS started their car at
18 the same time that Plaintiff got into her car. The agents were literally next to Plaintiff's
19 car when she was in her vehicle.
20

21 Plaintiff recognized the officer closest to Plaintiff's vehicle was an officer who
22 was bald. The next day, the same officer appeared to not only tow Plaintiff's vehicle,
23 but also to not release her vehicle to her and slam the door while he was yelling at
24 Plaintiff. On July 13, 2023 on-going, Defendants SFPD and DHS FPS may argue
25 discretion; however, they have manifested their actions, and lack thereof, as selective
26 enforcement. Plaintiff even requested whether there is a legal unit there to discuss the
27 issue. However, to no avail.
28

1 3. Legal Issues:

3 The Plaintiff has stated the below causes of action listed:

7 action in the first-amended complaint.

11 The afore-captioned case potentially could be resolved via a motion for
12 summary judgment in the entirety, and/or summary adjudication on any and all matters.

16 Plaintiff will file a First-Amended Complaint with Exhibits in pictorial and
17 video format.

24 preserve evidence relevant to the issues reasonably evident in this action. See ESI
